

**REMARKS**

A number of issued claims included limitations that unnecessarily limited their respective scopes by claiming less than the patentee had the right to claim in the patent. Accordingly, new claims 12 – 105 broaden the scope of the issued claims without adding new subject matter.

Should the Examiner believe that a further telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,  
BEYER WEAVER & THOMAS, LLP
